

Late Georgian Statuary Marble Urns

A remarkable set of white late Georgian statuary marble urns, from a former West Country stately home designed by William Player. Semi-lobed campana form rising on soccles above a square base. All from the same private house with slight variation in dimensions, one has damage to rim so discounted, but sold as seen.

DIMENSIONS (cm):

Rim Diameter 49-49.5cm, Heights varying from 66-68.5cm
