

Copper Bateau Baths

Copper Bateau Baths, with polished copper exterior, and a choice of matching polished copper interior, or a hand tinned finish (both shown above). An authentic replica of a classic French design dating from the 18th and 19th Centuries. Copper is a good conductor of heat so comes with the added benefit of keeping you warm both below and above the water line, so no more cold shoulders.

DIMENSIONS:

Length 170cm, Height 79cm X Width 74cm, Waste hole diameter 5cm

Our stock code: KBTTC-AD
